## LOGO DESIGN & BRANDING

Creating first impressions for potential customers is vital. They can increase chances of return visits and potential sales. **An original and memorable logo can give your business a professional and established feel.** Get in touch for logos that start from as little as £129! An absolute bargain for a design that can be the central focus of your business for years to come. **The logo is our focal point**, for those who are in need of brand identity or a re-brand.

## SOCIAL MEDIA

Struggling to find the time required to keep all your social media up to date? Aware you need to post and tweet more to keep your business in the public eye? Have you created social media accounts that sit idle? Search engine optimisation is now very much related to quality of content. **Your social media accounts may well be noticed in searches, before your website.** We can help create that much-needed interest in your profiles. We can save you time and create top quality social media advertising campaigns. **We can create beautiful, professionally designed graphics to boost your online presence.**

## ILLUSTRATIONS

Would you like an original set of animal or people characters, hand-drawn to promote your business? **Do you prefer illustrations to photography?** Place Petissimo illustrations throughout your website, print and social media promotions. **Illustrations created with the look and feel of your business in mind.** Contact us to start designing your animated family now. Sabrina also produces fantastic digitally drawn pet portraits, printed on quality canvas frames. Commission a portrait inspiring your business, or speak to us about purchasing a number of canvases to display in your shop, salon or practice.

## BESPOKE VIDEOS **NEW**

We do videos too, using Adobe softwares. Just provide us the elements (pictures, text, colours and style) you'd like to see in the final work and we'll work our magic for you! **Let's make a wonderful story about your Biz.**
